

Comark PDQ400 Pocket Digital

NEW

A Pretty Quick Thermometer!

Comark's PDQ400 waterproof digital thermometer has a quick response time of six seconds or less and comes with a 5 year warranty.

PDQ400 is a top performing pocket digital thermometer combining accuracy, speed of response and durability.

Temperature measurements of thin foods such as burgers can be accurately determined using the small diameter probe. Plus, the PDQ400 can withstand commercial dishwasher cycles.
