

Padlock 90RK/50 TITALIUM™

Art. no. 55292

Page 1 of 1

Technology

- Lock body made from special aluminium alloy
- Shackle made from high quality stainless steel
- With integrated shackle guard: makes attacks with bolt cutters difficult
- Precision pin cylinder
- Key retaining: Key is needed for locking (Lock retains key until locked)

Operation and use

- To secure valuables/goods of greater value or at a high risk of theft
- Ideal for use in severe weather conditions (e.g. in coastal or port areas, to secure objects on vehicles and boats in outdoor use)
- To secure containers, lorries, cellar doors - also in combination with ABUS chains

The all-weather lock
