SPRAY STATION

The Sanique S-12 Sanitising Spray Station is a totally enclosed secure sanitising spray station, designed to meet the demands of the professional first-responder, disinfecting large public areas. It's delivered as a totally stand-alone unit and ready for immediate use.

BENEFITS

- Totally mobile sanitising spray station for large areas
- Rapid deployment
- Tough construction copes with rigorous on-site situations
- Excellent manoeuvrability with bearing castors
- Built in 18L disinfectant tank with extra storage for disinfectant & PPE
- Hose reach of 30m for maximum coverage
- Includes a specifically designed spray tip that ensures maximum surface coverage and fogging
- Full 12 month warranty

PACKAGE

- Lockable cabinet c/w with Sanique S-3 sanitising pump, ready to go for all large sanitising procedures
- 15m hose for maximum flexibility
- 380mm (15") lance to ensure reach into those otherwise hard to-get areas
- Ergonomically designed gun to minimise hand and wrist fatigue
- Specific sanitisation spray tip to ensure correct atomisation

SPECIFICATION

Weight	64kg
Motor	700 watt
Tank	18 Ltr
Warranty	12 months

Recommended Areas Of Use

Hotels • Airports • Hospitals • Shopping Centres • Car Garages & Dealerships • Sports stadiums • Public Transport Including Buses & Trains • Offices • Industrial Premises • Educational Facilities & Many More.
